

South Texas Local Masters Swimming Committee (STLMSC)
Policy for promoting non-USMS Sanctioned events
Adopted May 2013

STLMSC will post non-USMS sanctioned/recognized events on its website and approve for posting on the USMS event calendar using the following conditions.

1. If requested, the non-USMS event sponsor agrees to post USMS events on their website
2. The event must not directly conflict with USMS event and vice versa (scheduled for the same day). Requirement may be waived with event director's agreement.
3. The events must be open to all eligible USMS members who meet the event entry requirements applied to other participants (e.g. association membership if required, payment entry fee, and age or time standard requirements)

Events will be posted/promoted by STLMSC in the following manner:

- a) The event will be clearly marked on STLMSC website as not a USMS sanctioned event
- b) The event will be clearly marked on USMS calendar as not a USMS sanctioned event
- c) STLMSC will not send email blasts to its membership about non-USMS sanctioned events, but can include information about calendar updates with other email blasts
- d) STLMSC can remove an event from the calendar or website at any time if agreed upon conditions are not met.
